

**Michael H. Gossert** recently joined Quandel Construction Group, Inc., a City of Harrisburg construction firm, as Vice President. Mike will lead the marketing and business development efforts for the Greater Harrisburg and Central Pennsylvania Regions.

In addition to his formal education at Pennsylvania State University and Shippensburg University, as well as his service in the United States Marine Corps, Mike has 20 years of local government experience which has included assignments as zoning officer, planning director, project manager, finance manager, assistant township manager and township manager. Mike spent 6 years in the banking industry using his government finance experience to assist government entities, commercial businesses and institutions with their lending and general banking needs. Mike is currently President of the Cumberland Valley School Board and has served as Vice President, Chairman of the Finance Committee and Facilities Committee as well as a member of the sponsorship and promotion committee.

In addition to his School Board duties Mike also volunteers his time serving on the Boards of the PASSHE Foundation, Operation Medical, Friends of Fort Hunter, American Heart Association Heart Walk (2013 Chair) and Capital Region Chamber of Commerce.
