

**ANNE LAURITZEN:** Anne has been involved with CASD for many years, both as a school board member as well as a parent. Her son, a junior at Elizabethtown College, is a 2014 CHS graduate, and her daughter will graduate from CHS this year with academic honors. While deeply invested in all aspects of the district, Anne has found her niche as chair of the Extracurricular and Athletic Committee. She has worked diligently to strengthen these programs and highlight the lifelong benefits of student participation in the arts, music, athletics, and all other extracurricular activities. Additionally, she is a strong proponent of career development, and will continue to advocate for grade-level appropriate career programs for our students.
