

The Launch of Gen Z: Angie Fernandez Barone

Be sure to join us for January's branch meeting when Angie Fernandez Barone will present "The Launch of Gen Z: A discussion of Generation Z and the challenges they face as they move through high school and college and enter the workforce." Raised on the internet and social media and growing up in a post 9/11 world, this age group is considered by many to be a fearful and unsettled generation. Their youth has been marked by the insecurity of school shootings, violence in public places, economic downturn and a world-wide pandemic. They may be a generation of students who will need greater support than in the past.

A graduate of Dickinson College, Ms. Barone began her career in entry level admissions at the college and has remained in various positions at Dickinson for the past 32 years. Her work with recruitment and speaking to various groups has taken her around the globe and given her a first-hand understanding of the challenges facing this age group and those who will be following. Today she works as the Executive Director for Student Engagement, Retention and Persistence at Dickinson College. Additionally, she is passionate about her work as program coordinator with Carlisle Victory Circle, an organization servicing middle school and high school students in the community.

The mother of four children (1 in high school, 2 in college, and one graduate), Ms. Barone also enjoys traveling, gardening, reading and her fur babies.

Don't miss this first discussion of the new year on January 24, 2023, at 7:00 P.M. in the side rooms of the Holland Union Building.

February Brunch at Carlisle High School Meet Out Speaker, Tracy Stritch

Our February 23, 2023 Brunch meeting at the Courtyard Café will feature Tracy Stritch, Co-Op Coordinator at Carlisle High School (see details and registration information on [page 8](#)). Originally from Lewisburg, Tracy has been married to Barney for 36 years and they have two sons, Kyle and Kevin.

Tracy received a BS in Home Economics from Mansfield State in 1982 and worked in food service for several companies, spending most of [\(Continue on page 3\)](#)

From the President

Branch leadership was busy in the month of November. We began the month with our Board meeting where, in my Report to the Board, I welcomed new Public Policy Chair Marybeth Ulrich and thanked Mary Brunski for stepping up to the plate to chair the Nominating Committee for our 2023-2025 slate of officers. The Nominating Committee still needs two more volunteers, either from the Board or the general membership, so please let Mary know of your interest - or your suggestion of someone who may be a good fit to serve on the Committee.

Motions unanimously approved at this meeting include increasing funding for the National Conference for College Women Student Leaders (NCCWSL) by \$650 to cover two full student scholarships (for a total donation of \$800); and reimbursing members of the Beyond Suffrage Committee for the expense of printing and mailing the one page description of the White Paper to members of the Pennsylvania State Legislature.

It was also reported to the Board that our Branch received thank you notes from Penn State Dickinson Law School for our donation to the Reproductive Justice event and from the YWCA for our August donations to the Pad Pantry.

Mid-month, Vice President Mary Brunski met with Student Member Samantha Martin, President of Gettysburg College AAUW Student Organization, and other members of the group. Mary shared information about AAUW and brainstormed with the women on ways our Branch might be able to assist them.

At the end of the month, I attended the bi-monthly State Presidents' Zoom Meeting where AAUW PA President Cindy Hall shared the good news that she has been busy adding new members to her distribution list almost daily! (We seem to be having a growth spurt!) Also, State Public Policy Chair Sandra Miller encouraged AAUW members to join her, members of Fix Harrisburg and the League of Women Voters on January 3rd, 2023 on the State Capital steps in support of changing the legislative rules which stymie the movement of proposed bills. Legislators will vote on these rules on January 6th, so a strong turnout on the Capitol steps on the third will send a strong message to our representatives that we want them to do their work more effectively. If you do plan to attend, please email Sandra (SMILLER2043@GMAIL.COM) so she may have signs printed with the AAUW logo for all members to hold. Finally, State Program Vice President Lori Woods announced that our AAUW PA Summer Retreat will be held at Gettysburg College on July 29th and hopes that every Branch in the State will be represented at this event. (Given that this location is less than 30 minutes from Carlisle, I hope that our Branch will have an especially impressive turnout for this daylong event!)

Turning my attention to upcoming events, I look forward to seeing many of you at our annual December Brunch at Dickinson College. Please do not forget to bring a donation for the YWCA Pad Pantry along with a dollar or two for the "opportunity" to take home a lovely seasonal centerpiece. I also hope that members will take advantage of the social opportunities our Branch volunteers planned for December and January - for Breakfast Club, Dine Out, Book Club and the trip to the Mifflinburg Christkindl Market. What better way to celebrate the holiday season than in the fellowship of friends enjoying the promise of the new year?

(Continued from page 1) her food service career at Marriot Management Services. Her experience includes colleges and universities, long-term care facilities, hospitals, corporations, and conference centers.

As a General Manager with Marriott, Tracy was responsible for total account responsibilities including the hiring, training and development of hourly employees and managers, food production, ordering and receiving, inventory procedures, meeting client and customer expectations, and compliance with all regulatory agencies and corporate standards. In addition, Tracy worked with bilingual clients and staff, assisted in the design and implementation of a new kitchen facility, and was responsible for attainment of financial goals.

As a member of Leadership Carlisle, Class of 2001, Tracy participated in a Leadership Forum comprised of community leaders addressing the employment issues and concerns facing south central PA and what steps were being taken to address them. It was at this Forum that Tracy learned about the new commercial kitchen and student-run café that was being built at Carlisle High. In 2002, Tracy was able to use her twenty-five plus years of experience in the hospitality industry to transition into Education. Tracy started the Culinary Arts program at Carlisle Center for Careers & Technology, which she ran for eleven years, and originated the monthly themed luncheons that are open to the community.

While pursuing teaching certification, Tracy was accepted into the master's program in Workforce Education and Development at Pennsylvania State University and earned Cooperative Education Certification. She has been the Co-Op coordinator at Carlisle High School since 2011.

Teaching in a career and technical environment showed Tracy how essential it is to combine school-based and work-based learning. She is convinced that in today's global economy, students need to be prepared for industry expectations, no matter what career path they choose.

The Co-Op program encompasses Capstone, Career Internships and Diversified Occupations. In recent years, Carlisle has also partnered with the Carlisle Chamber of Commerce, together developing several Career Exploration programs which have allowed students to explore pathways they may not have considered.

The Programs of study at Carlisle High School benefit both new graduates and area employers. Employability skills are essential for student success and employment opportunities are endless for prepared students who have realistic expectations of industry.
